Terms & Conditions

Please note, when happy to proceed a letter of agreement & invoice for milestone 1 & 2 will be sent to begin preparing your custom Shopify website. Work for these milestones will begin immediately after proof of payment is received. The remaining balance will be invoiced after each milestone of the project is completed. If all content is given timeously we commit to delivering your custom website within 10-14 working days, ready for launch.

The only charges the client will incur ongoingly will be from the domain they purchased and the Shopify Hosting Plan they choose.
